

EXHIBITION PROPOSAL

The Holland Project Gallery is a multi-functional gallery that focuses on young, contemporary artists and their influences. The gallery schedule is booked 6 months in advance with proposals being accepted every three months. The proposal review is conducted by the Gallery Director, Gallery Associate and Gallery Committee. We accept all mediums, concepts and approaches. To be considered for an exhibition, please complete the proposal form, include five+ JPEG images of your work and email to alisha@hollandreno.org.

Please note that due to demand and size of the space, we rarely grant the entire gallery for a solo exhibition. For previous exhibits visit www.hollandrenogalleryarchive.org.
